

# Stage 3A Lot Information Plan

## CAMERON HEIGHTS

This plan is for marketing purposes only, and is subject to errors and omissions. Dimensions are in feet and decimals, and should be confirmed. Landscaping elements (green spaces, trees and the storm water facility) are conceptual only, and are subject to change. Water level will fluctuate from year to year. Street furniture is approximate only and should not be relied upon. Refer to registered subdivision plan to confirm all lot information.

### Legend:

- |                          |   |                                       |
|--------------------------|---|---------------------------------------|
| 44                       | Suggested House Width in Feet at Frontage Shown | Street Light                          |
| Garage Location          |   | Street Light/Communication Cabinet(s) |
